The Canadian Business Hall of Fame Induction Ceremony on May 23rd was a lively celebration and the tributes were heartfelt as over 600 business leaders, supporters and young entrepreneurs came together to honour the 45th Class of Companions to the Order of the Canadian Business Hall of Fame.

This annual event is the signature fundraiser for JA Canada, and fuels the hands-on, immersive, and digital learning experiences delivered to young people across the country to set them up for success in business and in life. JA's mission is to inspire and prepare youth to succeed in the global economy. This very special evening celebrated business leaders of today and provided plenty of inspiration for those future business leaders in attendance.
